Re: Request for Information
Waste Disposal at Gary
Development Company, Inc.
Gary, Indiana

Dear Mr. Doyle,

Enclosed are copies of manifests concerning hazardous waste shipments to Gary Development.

We believe these to be the only shipments made to Gary Development that required manifesting (post November 1980).

The inaccuracy is involved in the hazard code shown on the manifests. We believe that D001 should have been used instead of F005.

Contact me if we can be of any further assistance.

Yours very truly,

James Tarpo
President

RECEIVED, subject to the classifications and tariffs in effect on the date of the issue of this Bill of Lading, the property described above in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated above which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed as to each carrier of all or

any of, said property over all or any portion of said route to destination and as to each party at any time interested in all or any said property, that every service to be performed hereunder shall be subject to all the bill of lading terms and conditions in the governing classification on the date of shipment.

Shipper hereby certifies that he is familiar with all the bill of lading terms and conditions in the governing classification and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

CERTIFICATION

I certify that the above-named materials are properly filed, described, packaged, marked and labeled, and are in condition for transportation according to the applicable regulations of the Department of Transportation and the U.S. Environmental Protection Agency

This is to certify acceptance of the hazardous waste shipment.

TRANSPORTER #1 SIGNATURE & DATE

TRANSPORTER #2 SIGNATURE & DATE (if required)

This is to certify acceptance of the hazardous waste for treatment, storage or disposal.
